BRUSH

BRUSH

BRUSH

SPROUT BRUSHES
HER TEETH FROM
LEFT TO RIGHT,
THEY'RE STRONG AND
.....
HEALTHY AND HER
.....
SMILE IS BRIGHT.
.....

SPROUT BRUSHES HER TEETH
WHEN THE DAY'S BEGUN,
AND THEN ONCE MORE WHEN
THE DAY IS DONE.

THE BEST WAY TO BRUSH
YOUR TEETH (SHE'S FOUND),
IS TO USE TINY CIRCLES,
ROUND AND ROUND.

SCRUB SCRUB SCRUB

WHEN SPROUT IS FINISHED
SHE SPITS OUT THE PASTE,
IT'S STRIPED AND MINTY
AND SHE LIKES THE TASTE.

THE DENTIST SAYS
'PLEASE OPEN WIDE', AND SPROUT
SHOWS OFF HER TEETH WITH PRIDE.
